Guest Lecture Report

Topic: Economics in Daily Life

Guest Lecturer: Sri B. Srinivasa Rao, Lecturer in Economics, CSTS Government Degree College, Jangareddygudem

Date of Lecture: 05-12-2024

Venue: Government Degree College, Ramachandrapuram

Audience: BA and B.Com Students

Introduction:

On 5th December 2024, Sri B. Srinivasa Rao, an esteemed Lecturer in Economics at CSTS Government Degree College, Jangareddygudem, was invited as a guest speaker for a lecture on the topic "Economics in Daily Life." The session was aimed at enlightening the BA and B.Com students of Government Degree College, Ramachandrapuram, about the practical application of economic principles in everyday activities.

Objective of the Lecture:

The primary goal of this lecture was to make students understand how economic concepts influence their daily decisions and routines. By connecting theoretical economic principles with real-world examples, the lecture aimed to broaden students' perspectives on how economics impacts various aspects of their personal and societal lives.

Student Engagement:

The lecture was interactive, with students actively participating in discussions and asking insightful questions. There was a notable interest among the students when the speaker shared practical examples related to their daily activities. Many students inquired about the impact of government policies on their financial choices, and some discussed how economic decisions influence their future career aspirations.

Conclusion:

The guest lecture on "Economics in Daily Life" was informative and engaging. Sri B. Srinivasa Rao's deep knowledge of economics, combined with practical examples, helped students connect theoretical concepts to real-world situations. The session enhanced the students' understanding of how economics plays a crucial role in shaping everyday decisions, from budgeting to purchasing goods. It was an enriching experience for all attendees, and the students left with a better appreciation of the relevance of economics in their daily lives.

Acknowledgements:

The students and faculty of Government Degree College, Ramachandrapuram, would like to extend their heartfelt thanks to Sri B. Srinivasa Rao for taking the time to deliver this insightful lecture. His efforts in simplifying complex economic concepts and relating them to everyday situations were highly appreciated. The event was successfully organized with the support of the college management, faculty and students and it provided an excellent opportunity for learning outside the classroom.
