Resolutions.

1. It is resolved to inform the members that as per NEP-2020, Major in Mathematics and also Major in Chemistry have the same syllabus shown below.

Course ①: Essentials and Applications of Mathematical, Physical & Chemical Sciences.

Course ②: Advances in Mathematical Physical and Chemical Sciences.

It is resolved to handle ~~to~~ Course ① by Mr. Y. Padmapriya, Lecturer in charge of Mathematics and Course ② by Sri T. Srinivasa Reddy.

- ② It is resolved to inform the members that in the Third Semester the following paper exists
Third Semester - Paper - 3 - Abstract Algebra
It is resolved to handle this paper by both

be faculty for smooth conduct of classes

③ It is desired to inform the members that the fifth semester requirement of the distribution is done as follows

① Paper I Numerical Analysis by Dr. P.
② Paper II Special Functions by Dr. P.

④ It is desired to inform the members regarding the Analytical Skills Course as follows

- I BA - Analytical Skills Course
- II BCom - Analytical Skills Course
- III BSc - Analytical Skills Course

According to the National Educational Policy - 2020; Single Major Subject Pattern is introduced in all the Under Graduate Colleges of the Andhra Pradesh for Holistic and Multi-disciplinary learning in the Higher Education. For empowering the faculty, the UGC has launched Madan Mohan Malaviya Mission Teacher Training Programmes with an aim of improving the quality of education at all levels by infusing quality and excellence in the teachers and their teaching. In this connection the Commissionerate of Collegiate Education (CCE) has approached the HRDC/MMTC, University of Hyderabad (UoH), Hyderabad & Jawaharlal Nehru University (JNU), Delhi and for this training. 20 identified Faculty of Mathematics across the state have been trained as Key Resource Persons from 23.02.2024 to 05.03.2024 & 24 Faculty of Economics have been trained from 22.02.2024 to 04.03.2024 during this training.

In continuation to this, Five Day Non-residential Training of Trainers (TOT) Programme was initiated at NRCs to all the Mathematics & Economics Faculty (Regular, Contract, PTL and Guest) working in the GDCs on the curriculum of Single Major Subject - Mathematics and Economics Streams. This training programme was scheduled from 16.04.2024 to 22.04.2024.

In view of the above, the Principals of the respective Government Degree Colleges are requested to relieve the concerned lecturers as per the Annexures (I & II) to enable him/her to attend the TOT programme with an instruction to report at the venue by 09.00 AM on 16.04.2024. As the training programme is mandatory, no exemptions will be entertained. If any Mathematics and Economics faculty (Regular / Contract / PTL/ Guest) name is missed in the list, the Principals concerned has to relieve such candidate, with an instruction to attend programme, with prior intimation to the respective NRC Principal. Principals of all GDCs are requested to ensure that all the Mathematics & Economics faculty(Regular,

Contract, PTL & Guest) should complete the training on Single Major Subject - Mathematics & Economics Streams and if any faculty missed out the TOT it will be viewed seriously. It is further informed to contribute Rs.1000/- per participant, which can be met from the internal funds of the respective college, to the respective NRC for food and other training arrangements. KRPs are permitted to claim TA from the internal resources of their respective colleges subject to the availability of funds. Lodging facility will be provided at the training venue as per the request of KRPs and Participants by the NRC Principals utilising the available internal funds of the college.
